Yah's salvation 2. salvation 3. no Hebrew meaning	1. Yah's salvation 2. No Hebrew meaning	1. Yah's salvation 2. No Hebrew meaning	2. No Hebrew meaning

Proper Names are transliterated; meaning the letters of a name in one language are carried over by the alphabet of another language to create the proper pronunciation of the original name. The original name doesn't change. Therefore the original name of our savior should sound the same today as it did back then, although this did not happen in regards to his name. 30millionblacksprayinhebrewname.com
